Balance carried forward	(1974)	3,056

**GENERAL REVIEW OF OPERATIONS AND THE STATE OF COMPANY'S AFFAIRS**

Even though the Commercial Operations Date (COD) of the Dahej Project was achieved on 22.3.18, there were several setbacks encountered during actual production due to technical issues, mainly with pipelines, valves, pumps etc. These teething problems caused sequential delays in achieving steady production, and it was only in end September'18 that the good quality of Anatase production at full market pricing commenced.

Due to the start-stop nature of operations mentioned above, the Company could not achieve any significant production and sales till Sep'18, thereby leading to operational losses which were partially funded by fresh infusions of further funds by the Promoters. Post Sep'18, it was no longer possible for the Promoters to infuse further funds and default in Bank interest servicing commenced, leading to Bank accounts becoming in operational and consequently, Plant operations have not been able to continue from Oct' 18.

**FUTURE OUTLOOK**

The Company and Promoters have been looking for fresh funding options through Bankers/Investors etc. and are optimistic of positive developments in this regard, which would assist in regularizing the financial position with the Banks and creditors and restarting the production operations at the earliest.

**EQUITY DIVIDEND**

During the year Company has started its operations and due to technical issues, mainly with pipelines, valves, pumps etc. These teething problems caused sequential delays in achieving steady production, and it was only in end September'18 that the good quality of Anatase production at full market pricing commenced. Due to the start-stop nature of operations mentioned above, the Company could not achieve any significant production and sales till Sep'18, thereby leading to operational losses which were partially

funded by fresh infusions of further funds by the Promoters. Post Sep'18, it was no longer possible for the Promoters to infuse further funds and default in Bank interest servicing commenced, leading to Bank accounts becoming in operational and consequently, in such scenario Directors felt it prudent to skip dividend on Equity Shares for the year.

FORM NO.MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31 MARCH,2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies  
(Appointment and Remuneration Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH,2019

To,  
The Members,  
KILBURN CHEMICALS LIMITED  
(CIN-L24117WB1990PLC199409)

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **KILBURN CHEMICALS LIMITED** (hereinafter called the "**Company**"). **Secretarial Audit** was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March, 2019**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms, returns, files and other records maintained by the Company for the financial year ended on **31st March, 2019**, according to the provisions of : -

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder.
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 as amended in 2015.
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
6. (i) Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employees Pension Scheme, 1995.  
(ii) The Employees State Insurance Act (ESIC), 1952.
  7. Employers Liability Act, 1948.
  8. Equal Remuneration Act, 1976.
  9. Indian Contract Act, 1872.
  10. Income Tax Act, 1961 and Indirect Tax Laws including Goods and Services Act, 2017.
  11. Indian Stamp Act, 1999.
  12. Negotiable Instruments Act, 1881.
  13. Payment of Bonus Act, 1965.
  14. Payment of Gratuity Act, 1972.
  15. The Factories Act, 1948 and other incidental Laws and Regulations applicable to the Factories.
  16. The Environmental Pollution Control Act (including Air, Water and Energy)

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India. Secretarial Standards SS-3 relating to Dividend was not applicable since Dividend was not declared during the year under review.
- (ii) The erstwhile Listing Agreement entered into by the Company with the Mumbai Stock Exchange which has been replaced by The Securities & Exchange Board of India (Listing Obligations and Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations as placed below as "ANNEXURE-A" (which forms part of the report).

I further report that the Board of Directors of the Company was constituted with one Managing Director, One Whole Time Executive Director, One Non-Executive and Independent Director for a period during the year due to resignation of a section of Non-Executive and Independent Directors. It is therefore stated that the Corporate Governance norms in relation to the composition of the Board, Audit Committee and Nomination and Remuneration Committee were deviated from 24th December, 2018 to 30th May, 2019. However, the Company filled up the position of One Woman Independent Director with effect from 30-05-2019. Due to the said appointment, there was reconstitution in the board by way of two non-executive and independent directors keeping in alignment with the compliance of the Corporate Governance pursuant to Regulation 27 of the SEBI, LODR, 2015. Reconstitution of the Board, Audit Committee and Nomination and remuneration Committee were duly complied with effect from 30th May, 2019.

Adequate notice was given to all directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**I further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that** during the audit period, there are no instances of:-

- (i) Public/Right/ issue of shares / debentures/sweat equity, etc. \*
- (ii) Redemption / buy-back of securities
- (iii) Major decisions taken by the members in pursuance to section 180 (1)(c) of the Companies Act, 2013
- (iv) Merger / amalgamation / reconstruction, etc.
- (v) Foreign technical collaborations.
- (vi) Issue and Listing of Debt Securities.
- (vii) Delisting of Equity Shares.

\*At the beginning of the year, the Company had issued, subscribed and paid-up capital of Rs. 11,85,50,000/= having 1,18,55,000 Equity Shares of Rs.10/= per share each. During the year under review, 20,52,377 Equity Shares having face value of Rs.10/= each were issued to Promoter Group Companies thus enhancing the subscribed and paid-up Equity Share Capital to Rs.13,90,73,770/= comprising 1,39,07,377 equity shares of Rs.10/= each pursuant to Section 42 of the Companies Act, 2013. In this respect, Note No.3 of Annexure-A, respecting observation may be referred to.

**SUNIL KUMAR BANERJEE**  
**PRACTISING COMPANY SECRETARY**  
**FCS No. : 2189**  
**C P No : 4652**

**Place : KOLKATA**  
**Date : 30th May, 2019**

**OBSERVATIONS**

1. The Company complied with the provisions, rules, regulations, guidelines and standards so far as stated and there has been no delay in filing of forms/returns during the year under review. It is however felt that there should be sustained efforts to further strengthen the system.
2. Section 203 of the Companies Act, 2013, in regard to the appointment of Key Managerial Personnel (KMP) has been checked. The Company is having Managing Director, Chief Financial Officer and Company Secretary.
3. It has been noted that the Company has issued and allotted 20,52,377 Equity Shares of Rs.10/= each at a Securities Premium of Rs.55/= each to its Promoter/Promoter Group on 30-03-2019 aggregating Rs.13,34,04,505/- (Rupees Thirteen Crores Thirty Four Lacs Four thousand five hundred and five only). Out of 20,52,377 Equity Shares of Rs.10/= each, outstanding loan of Rs. 8,38,74,765/= was converted by issue and allotment of 12,90,381 equity shares of Rs.10/= each at a securities premium of Rs.55/= each to its Promoter/Promoter Group and balance were issued and allotted by way of 7,61,996 equity shares of Rs.10/= each at a securities premium of Rs. 55/= each to its Promoter/Promoter Group. The total subscribed and equity capital of the company stood at Rs.13,90,73,770/= as on 30-03-2019, comprising 1,39,07,377 equity shares of Rs.10/= each. The trading approval for the aforesaid allotment has been received on 9th May, 2019.
4. According to the information and explanations given to me, the Company has not accepted any public deposits pursuant to the provisions of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposit) Rules, 2014 during the year under audit.
5. According to the information and explanations given to me and on checking the records, it was noted that Company had availed Credit facilities Loans under Consortium Finance from State Bank of India and Bank of Baroda. As reported by the management, the Company has defaulted in the repayment of two quarterly instalments resulting in accumulation of interest, thus raising the borrowing amount significantly from both the Banks.
6. Regulation 27 of the SEBI's (Listing Obligations and Disclosure Requirements), Regulations, 2015, was not complied with from 24th December, 2018 to 30th May, 2019 due to non-composition of Non-executive and independent directors.
7. The Employees Provident Fund and Miscellaneous Provisions Act, 1952 and The Employees Pension Scheme, 1995 are applicable. It was observed that there were some arrears in payment of the PF and other statutory dues of the employees as on the 31st March, 2019. The Employees State Insurance Act, 1956 is not apparently applicable during the year under audit.
8. It was observed that the Company has taken unsecured loans from Directors during the year under review.

Seven Board Meetings were held on 30.05.2019, 13.08.2018, 24.08.2018, 14.11.2019, 24.12.2019, 09.02.2019 & 30.03.2019 during the year.

**(i) INDUCTION AND FAMILIARIZATION PROGRAM FOR DIRECTORS**

At the time of appointing a Director, a formal letter of appointment is given to him, which inter alia explains the role, functions, duties and responsibilities expected of him as a Director of the Company. The Director is also explained in detail the compliances required from him under the Companies Act, and Regulation 25 (7) of the LODR,2015 and other relevant regulations and his affirmation taken with respect to the same. By way of an introduction to the Company, the Director is presented with a relevant Annual Reports. Further, with a view to familiarize him with the Company's Operations, the Director is explaining through presentations giving an over arching perspective of the industry.

The company senior staffs gives the details of organisational set up of the Company, the functioning of various divisions / departments, the Company's market share and the markets in which it operates, governance and internal control processes and other relevant information pertaining to the Company's business. The MD also has a one-to-one discussion with the newly appointed Director. The above initiatives help the Director to understand the Company, its business and the regulatory framework in which the Company operates and equips him to effectively fulfil his role as a Director of the Company. This also helps the Company to know about the Skills/ expertise/competencies required by the Director for working with the Company and vice versa, Directors also get information about the working of the Company.

Independent Directors of the Company are not where connected to the Company and has all independency in taking the decision at the Board and to the management. During the year many Independent Directors of the Company resigned from the Company, due to pre-occupation and due to the problems faced by the company under the period of review. There was no other reasons other than provided.

**(ii) COMMITTEES OF THE BOARD**

With a view to have a more focused attention on business and for better governance and accountability, the Board has constituted the following mandatory committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee

The terms of reference of these Committees are determined by the Board and their relevance reviewed from time to time. Meetings of each of these Committees are convened by the respective Chairman of the Committee, who also informs the Board about the summary of discussions held in the Committee Meetings. The Minutes of the Committee Meetings are tabled at the Board Meetings.

**3. Independent Directors' Meeting**

During the year under review, the Independent Directors met on 24th August, 2018, inter alia, to discuss: Independent Directors and the Board of Directors as a whole; Chairman of the committee, taking into account the views of the Executive and Non Executive Directors. Timelines of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties. All the Independent Directors were present at the Meeting.

The Company's Independent Directors meet at least once in every financial year without the presence of Executive Directors or management personnel. Such meetings are conducted informally to enable Independent Directors to discuss matters pertaining to the Company's affairs and put forth their views. The Independent Director takes appropriate steps to present Independent Directors' views to the Managing Director.

The Company has conducted the familiarization program for Independent Directors during the year and the same can be found from website of Company i.e at [www.kilburnchemicals.com](http://www.kilburnchemicals.com).

**AUDITORS' CERTIFICATE ON COMPLIANCE WITH CONDITIONS OF CORPORATE GOVERNANCE**

The Members,  
Kilburn Chemicals limited

We have examined the compliance of conditions of Corporate Governance by Kilburn Chemicals Limited (the Company), as stipulated in Clause 49 of the Listing Agreement of the Company with the stock exchanges (for the eight months period ended 30 November 2015) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the SEBI Regulations') (for the four months period ended 31 March 2016).

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement and the SEBI Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# INDEPENDENT AUDITOR'S REPORT

## To the Members of Kilburn Chemicals Limited Report on the Audit of the Financial Statements Opinion

We have audited the accompanying Financial Statements of Kilburn Chemicals Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, its losses (including Other Comprehensive Income), changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI")

together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

### Material Uncertainty Related to Going Concern

We draw attention to the Statement of Profit and Loss, which indicates that the Company incurred a net loss of Rs. 5029.54 Lakhs during the year ended 31st March, 2019 and, as of that date, the Company's current liabilities exceeded its current assets by Rs. 4020.15 Lakhs. As stated above these events or conditions, along with other matters as set forth in Note 46, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
<p><b>Property, Plant and Equipment</b></p> <p>There are areas where management judgement impacts the carrying value of property, plant and equipment, intangible assets and their respective depreciation rates. These include the decision to</p>	<ul style="list-style-type: none"> <li>We assessed the controls in place over the fixed assets, evaluated the appropriateness of capitalisation process, performed tests of details on costs capitalised, the timeliness of the capitalisation of the assets and the de-recognition criteria for asset retired from active use.</li> </ul>

<p>capitalise or expense costs; the annual asset life review; the timeliness of the capitalisation of assets and the measurement and recognition criteria for assets retired from active use. We do not consider this management judgement to be of high risk of significant misstatement or to be subject to significant level of judgment. However due to their materiality in the context of the Balance Sheet of the Company, this is considered to be an area which had the significant effect on the overall audit strategy and allocation of resources in planning and completing our audit.</p>	<ul style="list-style-type: none"> <li>• In performing these procedures, we reviewed the judgements made by management including the nature of underlying costs capitalised; determination of realizable value of the assets retired from active use; the appropriateness of assets lives applied in the calculation of depreciation; the useful lives of assets prescribed in Schedule II to the Act and the useful lives of certain assets as per the technical assessment. We observed that the management has regularly reviewed the aforesaid judgments and there are no material changes.</li> </ul>
<p><b>Capital Work-in-Progress</b></p> <p>The Company is in the process of setting up of a plant for Rutile grade production which is a value addition of Anatase grade Titanium Dioxide.</p>	<ul style="list-style-type: none"> <li>• Our audit process included a review of the progress of the project and the intention and ability of the management to carry forward and bring the asset to its state of intended use.</li> </ul>
<p><b>Provisions and Contingent Liabilities</b></p> <p>The Company is involved in various taxes and other disputes for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgement and such judgement relates , primarily , to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the standalone financial statements. Because of the judgements required, the materiality of such litigations and the complexity of the assessment process, the area was a key matter for our audit.</p>	<p>Our audit procedure in response to this Key Audit Matter included, among others,</p> <ul style="list-style-type: none"> <li>• Assessment of the process and relevant controls implemented to identify legal and tax litigations, and pending administrative proceedings.</li> <li>• Assessment of assumptions used in the evaluation of potential legal and tax risks performed by the legal and tax department of the Company considering the legal precedence and other rulings in similar cases.</li> <li>• Inquiry with the legal and tax departments regarding the status of the most significant disputes and inspection of the key relevant documentation.</li> <li>• Analysis of opinion received from the experts where available.</li> <li>• Review of the adequacy of the disclosures in the notes to the Financial Statements.</li> </ul>

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, we conclude, based on the work we have performed, on the other information obtained prior to the date of this Auditor's Report, that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and those charged with governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including total comprehensive income, cash flows and changes in equity of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our Opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence

obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Emphasis of Matter Paragraph**

- Reference is invited to Note 46(j) of the Financial Statements that due to liquidity crunch and losses faced by the Company, it could not continue its operation from October 2018.
- We further draw attention to Note 35 in the Financial Statements that during the year ended on 31st March, 2019 the Company could not repay two quarterly installments aggregating to Rs. 664 Lakhs besides interest amounting to Rs. 1116.15 Lakhs to the Bankers against the credit facilities availed under consortium arrangement. As a result, the loan has been classified as NPA and Bank of Baroda, the lead banker under the consortium arrangement has issued notice under Section 13(2) of the SARFAESI Act, 2002 dated 13th March, 2019 to repay the entire borrowings of Rs. 17,736.28 Lakhs (including interest upto 31st December, 2018) within 60 days from the date of issuance of such notice. The Company has responded to the notice vide its letter dated 22nd March, 2019 informing that proposals for fresh funding is under consideration by Banks/ Investors and a positive outcome is expected by the Company's management. Pending outcome the Company has disclosed, amount of outstanding loans of Rs. 13,612.00 lakhs from Banks under "Long Term Borrowings".
- Note No. 46 (b) regarding non provision against Trade Receivables and other receivables of Rs. 110.93 Lakhs.

Our opinion is not modified in respect of the above matters.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order

to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
- d. in our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. on the basis of the written representations received from the directors as on 31st March, 2019 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and

- g. with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act. The Company has complied with the provisions of Section 197 read with Schedule V to the Act relating to managerial remuneration.
- h. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. the Company has disclosed the impact of pending litigations on its financial position in its Financial Statements; Refer Note 35(A)(i) to the Financial Statements
  - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii. there has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company in accordance with the relevant provisions of the Act and the Rules made thereunder.

### **Annexure - A to the Independent Auditor's Report**

Referred to in paragraph-1 on other Legal and Regulatory Requirements of our Report of even date to the members of Kilburn Chemicals Limited on the Financial Statements for the year ended 31st March, 2019,

- i. a) The Company has maintained proper records showing full particulars including quantitative details and situation of its Fixed Assets.

- b) As explained to us, Fixed Assets have been physically verified by the management at regular intervals which, in our opinion is reasonable having regard to the size of the Company and the nature of the assets. As informed to us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Title Deeds of immovable properties are held in the name of the Company.
- ii. According to the information and explanations given to us, the Inventories have been physically verified during the year at reasonable intervals by the management. The discrepancies noticed on verification between the physical inventories and book records were not material in relation to the operations of the company and the same have been properly dealt with in the books of account.
- iii. According to the information and explanations given to us, the Company has not granted any loan, secured or unsecured, during the year (excluding unsecured loan of Rs. 276.57 Lakhs given to a Company in earlier years) to companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act.
  - a) No interest is being charged on the above loan as per terms of the agreement between the parties.
  - b) There is no schedule as regards to repayment of principal amount and therefore we are not in a position to make any comments as to whether or not the Company was regular in receipt of principal amount.
  - c) In view of our comments in Para (b) above, we are not in a position to make any comments as to whether or not there were any overdue amounts of more than ninety days and whether any reasonable steps have been taken by the Company for recovery of the principal amount.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act with respect to the loans given, investments made and guarantees given.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of sections 73 to 76 of the Act and the rules framed thereunder to the extent notified. Accordingly clause 3(v) of the Order is not applicable.
- vi. According to the information and explanations given to us by the management, the Central Government has prescribed the maintenance of cost records under Sub section 1 of Section 148 of the Act but since the criteria for minimum turnover is not complied with, clause 3(vi) of the order is not applicable.
- vii. According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed applicable statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Cess and any other statutory dues to the appropriate authorities and there are no undisputed amount payable in respect of the same which were in arrears as on 31st March, 2019 for a period of more than six months from the date the same became payable.
  - (a) According to the information and explanations given to us, the Company has not deposited the following dues on account of disputes with the appropriate authorities:

Name of the Statute	Nature of the dues	Amount (Rs. in Lakhs)	Period to which the amount pertains	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	1705.20/-	A.Y. 2012-13	Commissioner of Income Tax (Appeals), Kolkata
Income Tax Act, 1961	Income Tax	53.43/-	A.Y. 2013-14	Commissioner of Income Tax (Appeals), Kolkata
Income Tax Act, 1961	Income Tax	8.52/-	A.Y. 2014-15	Commissioner of Income Tax (Appeals), Kolkata

- viii. According to the information and explanations given to us, the Company has defaulted in repayment of two quarterly instalments of Rs 664 lakhs to get herewith interest of Rs 1116.15 lakhs to two banks during the year.
- ix. According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and term loan during the year. Accordingly, clause 3(ix) of the order is not applicable.
- x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has paid /provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3 (xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the books and records, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.
- xiv. According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has issued 20,52,377 Equity Shares of Rs. 10/-each on preferential basis to promoters against conversion of unsecured loans in view of current financial situation and liquidity position of the company.
- xv. According to the information and explanations given to us and based on our examination of the books and records, the Company has not entered into any non-cash transactions with directors or persons connected with him during the year. Accordingly, Clause 3 (xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

## Annexure - B to the Independent Auditor's Report

(Referred to in paragraph-2(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Kilburn Chemicals Limited on the Financial Statements for the year ended 31st March, 2019)

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kilburn Chemicals Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note

on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with Indian Accounting Standard prescribed under section 133 of the Act. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, including the Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal

financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 1. Standard issued but not yet effective

- **Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. A reliable estimate of the quantitative impact of the same on the Financial Statements will only be possible once the assessment has been completed.

- **Amendment to Ind AS 12 — Income taxes**

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to which the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. A reliable estimate of the quantitative impact of the same on the Financial Statements will only be possible once the assessment has been completed.

- **Amendment to Ind AS 19 — plan amendment, curtailment or settlement**

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

- ▲ to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

- ▲ to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. A reliable estimate of the quantitative impact of the same on the Financial Statements will only be possible once the assessment has been completed.

### 2. BASIS OF PREPARATION

- 2.1. The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 with Companies (Indian Accounting Standards)(Amendment) Rules, 2016 & Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and comply in all material aspects with the relevant provisions of the Companies Act, 2013 and Companies (Amendment) Act, 2017.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer Significant Accounting Policy No. 14 regarding financial instruments).

The financial statements have been presented in INR, which is also the Company's functional currency and all values are rounded to the nearest Lakhs.

### 2.2. Statement of Compliance with Ind AS

These financial statements comply in all material aspects with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 & Companies (Indian Accounting Standards) (Amendment) Rules, 2017.

### 3. Property, Plant and Equipment, Intangible Assets, Capital Work-in-progress and Depreciation

#### 3.1. Property, Plant and Equipment (PPE)

3.1.1. The cost of an item of PPE is recognized as an asset if, and only if:

- (a) It is probable that future economic benefits associated with the item will flow to the entity; and
- (b) The cost of the item can be measured reliably.

3.1.2. PPE are stated at acquisition or construction cost or historical cost less accumulated depreciation / amortization and cumulative impairment.

3.1.3. Technical know-how / license fee relating to plants/facilities and specific software that are integral part of the related hardware are capitalised as part of cost of the underlying asset.

3.1.4. Spare Parts are capitalized when they meet the definition of PPE, i.e., when the Company intends to use these during more than a period of 12 months.

3.1.5. On transition to Ind AS, the Company has elected to continue with the carrying value of all of its PPE recognised as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the PPE.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### 3.2. Intangible Assets

- 3.2.1. Costs incurred on computer software/licenses purchased resulting in future economic benefits, other than specific software that are integral part of the related hardware, are capitalised as Intangible Asset and amortised over a period of six years beginning from the quarter in which such software is capitalised.
- 3.2.2. Intangible assets acquired separately are measured on initial recognition at cost. The following initial recognition of intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the Statement of Profit and Loss in the period in which the expenditure is incurred.
- 3.2.3. The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life on straight line basis and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss.
- 3.2.4. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.
- 3.2.5. On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognized as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the Intangible Assets.

### 3.3. Capital Work in Progress

- 3.3.1. Expenses exclusively attributable to projects incurred during construction period are capitalised.
- 3.3.2. Finance costs incurred during construction period on loans specifically borrowed and utilized for projects are capitalized up to the date of capitalization.
- 3.3.3. Finance costs, if any, incurred on General Borrowings used for projects is capitalized at the weighted average cost.
- 3.3.4. Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.
- 3.3.5. Advances paid towards the acquisition of PPE and intangible assets outstanding at each Balance Sheet date is classified as capital advances and the cost of assets not put to use before such date are disclosed under capital work in progress.

### 3.4. Depreciation/Amortization

- 3.4.1. Cost of Tangible Fixed Asset (net of residual value) is depreciated on straight-line method as per useful life prescribed in Schedule II to the Companies Act, 2013.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

- 3.4.2. Depreciation/amortization is charged on pro-rata basis reference to month of capitalization or disposal. Residual value is generally considered at 5% of cost of assets.
- 3.4.3. The Company depreciates components of the main asset that are significant in value and have different useful lives as compared to the main asset separately. The Company depreciates capitalized spares over the life of the spare from the date it is available for use.
- 3.4.4. Item of PPE and Intangible Assets, costing uptoRs.5,000/- per item are depreciated fully in the year of capitalization.
- 3.4.5. The residual value, useful lives and methods of depreciation of PPE are reviewed at each financial year end and adjusted prospectively, if appropriate.

### 4. LEASES

4.1. A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

#### 4.2. Finance leases as lessee:

- (i) Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.
- (ii) A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- 4.3. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1st April 2016, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

### 5. IMPAIRMENT OF NON-FINANCIAL ASSETS

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account.

### 6. BORROWING COSTS

Borrowing costs that are attributable to the acquisition and construction of the qualifying asset are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

### 7. FOREIGN CURRENCY TRANSACTIONS

7.1. The Company's financial statements are presented in Indian Rupee, which is also its functional currency.

7.2. Transactions in foreign currency are initially recorded at exchange rates prevailing on the date of transactions.

7.3. Monetary items denominated in foreign currencies (such as cash, receivables, payables etc) outstanding at the end of reporting period, are translated at exchange rates prevailing as at the end of reporting period.

Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Statement of Profit and Loss under the head foreign exchange fluctuation.

7.4. Non-monetary items denominated in foreign currency (such as investments, PPE and intangible assets etc.) are valued at the exchange rate prevailing on the date of the transaction other than those measured at fair value.

7.5. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items

7.6. measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in Other Comprehensive income (OCI) or profit or loss are also recognised in OCI or profit or loss, respectively).

### 8. INVENTORIES

#### 8.1. Raw Materials & Stock-in-Process

8.1.1. Raw materials are valued at cost determined on weighted average basis or net realizable value, whichever is lower.

8.1.2. Stock in Process is valued at raw material cost plus conversion costs as applicable or net realizable value, whichever is lower.

8.1.3. Raw materials in Transit are valued at cost or net realizable value, whichever is lower.

#### 8.2. Finished Products and Stock-in-Trade

8.2.1. Finished products and stock in trade are valued at cost determined on 'First in First Out' basis or net realizable value, whichever is lower. Cost of Finished Products produced is determined based on raw material cost and processing cost.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### 8.3. Stores and Spares

8.3.1. Stores and spares are valued at weighted average cost.

8.3.2. Stores & Spares in transit are valued at cost.

## 9. PROVISIONS, CONTINGENT LIABILITIES, CONTINGENT ASSETS & CAPITAL COMMITMENTS

### 9.1. Provisions

9.1.1. Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

9.1.2. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

### 9.2. Contingent Liabilities

Contingent liabilities is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

9.2.1. Show-cause Notices issued by various Government Authorities are not considered as Obligation.

9.2.2. When the demand notices are raised against such show-cause notices and are disputed by the Company, these are classified as disputed obligations.

9.2.3. The treatment in respect of disputed obligations are as under:

- a) A provision is recognized in respect of present obligations where the outflow of resources is probable;
- b) All other cases are disclosed as contingent liabilities unless the possibility of outflow of resources is remote.

### 9.3. Contingent Assets

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

### 9.4. Capital Commitments

Estimated amount of contracts remaining to be executed on capital account are considered for disclosure.

## 10. REVENUE RECOGNITION

10.1. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

Goods and Services Tax(GST) is not received by the company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

**10.2.** Revenue is recognised when the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods and the amount of revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, net of returns, allowances and trade discounts.

The timing of the transfer of risks and rewards varies depending on the individual terms of the sales agreement.

**10.3.** Interest income is accrued on a time proportion basis, by reference to the outstanding principal and at the interest rate applicable.

**10.4.** Claims are recognized at cost when there is reasonable certainty regarding its ultimate collection.

### 11. TAXES ON INCOME

#### 11.1. Current Income tax

11.1.1. Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

11.1.2. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

11.1.3. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### 11.2. Deferred Tax

11.2.1. Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

11.2.2. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

11.2.3. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

11.2.4. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### 12. EMPLOYEE BENEFITS

#### 12.1. Short Term Benefits:

Short Term Employee Benefits are accounted for in the period during which the services have been rendered.

#### 12.2. Post-Employment Benefits and Other Long Term Employee Benefits:

- a) The Company's contribution to the Provident Fund is remitted to Provident Fund Authorities based on a fixed percentage of the eligible employee's salary and charged to Statement of Profit and Loss.
- b) The Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.
- c) The Company does not have any policy in respect of other long term employee benefits, viz., leave encashment etc.

#### 12.3. Remeasurements:

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

### 13. CURRENT VERSUS NON-CURRENT CLASSIFICATION

13.1. The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

#### 13.2. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

### 13.3. A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Based on the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months.

## 14. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### 14.1. Financial Assets

Initial recognition and measurement of all financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial Assets at amortised cost
- Debt Instruments at fair value through other comprehensive income (FVTOCI)
- Equity instruments at fair value through other comprehensive income (FVTOCI)
- Financial assets and derivatives at fair value through the Statement of Profit and Loss (FVTPL)

#### 14.1.1. Financial Assets at Amortised Cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### 14.1.2. Debt Instrument at FVTOCI

A 'Debt Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent solely payments of principal and interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the

Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

### 14.1.3. Equity Instrument at FVTOCI

#### A. Equity Investments (Other than Subsidiaries, JVs and Associates)

All equity investments in scope of Ind AS 109 are measured at fair value. The Company has made an irrevocable election to present subsequent changes in the fair value in other comprehensive income, excluding dividends. The classification is made on initial recognition/transition and is irrevocable.

There is no recycling of the amounts from the OCI to the Statement of Profit and Loss, even on sale of investments.

### 14.1.4. Debt Instruments and Derivatives at FVTPL

FVTPL is a residual category for debt instrument. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. Interest income on such instruments has been presented under interest income.

### 14.1.5. Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Balance Sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - a) The Company has transferred substantially all the risks and rewards of the asset, or
  - b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### 14.1.6. Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balances.

#### **Simplified Approach**

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade Receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

#### **General Approach**

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly,

12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-months ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-months ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the Company estimates provision on trade receivables at the reporting date.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. The Balance Sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- Financial guarantee contracts: ECL is presented as a provision in the Balance Sheet, i.e. as a liability.
- Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

### 14.2. Financial Liabilities

#### 14.2.1. Initial recognition and measurement.

Financial Liabilities are classified, at initial recognition, as financial liabilities at fair value through the Statement of Profit and Loss or financial liabilities at amortised cost, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of liabilities measured at amortised cost net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including financial guarantee contracts and derivative financial instruments.

#### 14.2.2. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

##### A. Financial Liabilities at fair value through the Statement of Profit and Loss

Financial liabilities at fair value through the Statement of Profit and Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through the Statement of Profit and Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Profits or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

##### B. Financial Liabilities at Amortized Cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Profit and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

amortization is included as finance costs in the Statement of Profit and Loss.

### C. Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

#### 14.2.3. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

#### 14.2.4. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## 15. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

## 16. FAIR VALUE MEASUREMENT

**16.1.** The Company measures financial instruments, at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**16.2.** The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

**16.3.** The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

**16.4.** A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

**16.5.** The Company uses valuation techniques that are appropriate in the circumstances and for

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

- 16.6.** All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

In case of Level 3 valuations, External valuers are also involved in some cases for valuation of assets and liabilities, such as unquoted financial assets, loans to related parties etc.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### 17. GRANTS

#### 17.1. CAPITAL GRANTS

In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are recognized as income in the Statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

#### 17.2. REVENUE GRANTS

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. Government grants is recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate.

Revenue related grants (subsidy and budgetary support towards under recoveries) are reckoned in "Revenue from operations" as per the respective schemes notified by Government from time to time, subject to final adjustments as per separate audit wherever applicable. In case of waiver of duty under EPCG license, such grant is considered as revenue grant and recognised in "Other Income" in proportion of export obligations actually fulfilled during the accounting period. All other revenue grants has been recorded under "Other Income".

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate or NIL interest rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### 18. SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

### 19. EARNINGS PER SHARE

Basic earnings per share

Basic earnings per share are calculated by dividing:

- The profit/ loss attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year.

#### Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### 20. ACCOUNTING JUDGEMENTS ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. These include recognition and measurement of financial instruments, estimates of useful lives and residual value of Property, Plant and Equipment and Intangible Assets, valuation of inventories, measurement of recoverable amounts of cash-generating units, measurement of employee benefits, actuarial assumptions, provisions etc.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

#### 20.1. JUDGEMENTS

In the process of applying the Company's accounting policies, management has made the following judgments, which have the significant effect on the amounts recognised in the financial statements.

##### 20.1.1. Lease classification in case of leasehold land

The Company has obtained land from the government for the purpose of setting up of factory. This land is having tenure of 99 year and at the end of lease term, the lease could be extended for another term or the land could be returned to the government authority. Since land has an indefinite economic life, the management has considered 99 years and above cases for finance lease if at the inception of the lease, the present value of minimum lease payments are substantially equal to fair value of leased assets.

Further cases between 90-99 are also evaluated for finance lease on the basis of principle that present value of the minimum lease payments are substantially equal to fair value of the leased asset. In addition, other indicators such as the lessee's ability

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

to renew lease for another term at substantially below market rent, lessee's option to purchase at price significantly below fair value are also examined for classification of land lease. Leases not meeting the finance lease criteria are classified under operating leases.

### 20.1.2. Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractual and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

## 20.2. ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

### 20.2.1. Defined benefit plans / Other Long term employee benefits

The cost of the defined benefit plans and other long term employee benefit plans are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. The management considers the interest rates of government securities based on expected settlement period of various plans.

### 20.2.2. Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow (DCF) model based on level-2 and level-3 inputs. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as price estimates, volume estimates, rate estimates etc. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### 20.2.3. Impairment of financial assets

The impairment provisions for trade receivables are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on the Company's past history and other factors at the end of each reporting period.

### Nature and purpose of reserves

#### 1 Capital Reserve

Capital Reserve was created during slump sale of chemical division of the Company in earlier years and shall be utilised as per provisions of the Act.

#### 2 Security Premium Reserve

As per the Act, security premium reserve is created when the Company issues share at a price higher than its Face Value. Utilisation of this reserve is governed by the provisions of the Act.

#### 3 Preference Share Capital Redemption Reserve

As per the Act Preference Share Capital Redemption Reserve is created when Company purchases its own share out of free reserves or Securities premium a sum equal to the nominal value of shares

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**

so purchased is transferred to Capital Redemption Reserve. Utilisation of this reserve is governed by the provisions of the Act.

**4 General Reserve**

General Reserve are the retained earnings of a company which are kept aside out of company's profits to meet future (known or unknown) obligations.

**5 Retained Earnings**

Retained Earnings is free reserve of the Company and is used for purposes like issuing bonus shares, buy back of shares and other purposes (like declaring Dividend etc.) as per the approval of BOD.

**6 Other Comprehensive Income**

Other Comprehensive Income includes the re-measurement of defined benefit plan as per actuarial valuations which will not be re-classified to Statement of Profit and Loss in subsequent periods.

**7 Money received against share warrants**

A share warrant is a financial instrument which gives the holder the right to acquire equity shares. During the year 2017-18 the Company has converted 15,40,000 Convertible Warrants of Rs.10/- each into 15,40,000 Equity Shares of Rs. 10/- each on preferential basis at a premium of Rs 29/- per Equity Share. Equity Shares issued at a price of Rs. 39/- per share (Rs. 10/- against capital and Rs. 29/- against Premium) out of which 25% consideration received at the time of allotment of warrant and balance 75% consideration received at the time of conversion of Warrants into Equity Shares.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**

**Note - 35 : Contingencies and Commitments**

A. Contingent Liabilities not provided for in respect of the following:

- (i) Claims against the Company not acknowledged as debts -
  - Income Tax Demand disputed in Appeal
  - for the Assessment Year 2013-14 of Rs. 62.93 Lakhs (Tax Paid Rs. 9.50 Lakhs)
  - for the Assessment Year 2014-15 of Rs. 10.02 Lakhs (Tax Paid Rs. 1.50 Lakhs)
- (ii) Outstanding Bank Guarantees of Rs. 90.28 lakhs (Previous year Rs. 166.69 lakhs).

The Company has not considered those disputed demands/claims as contingent liabilities, for which, the outflow of resources has been considered as remote.

**B. Commitments**

- a) Estimated amount of contracts remaining to be executed on Capital Account and not provided for [net of advances Rs.7.55 lakhs Previous year Rs. 64.86 lakhs] is Rs. 22.58 lakhs [Previous year Rs. 308.67 lakhs].
- b) Export Obligation in Respect of EPCG Licences is Rs. 3,570.51 Lakhs (Previous Year Rs. 3,363.97 Lakhs)(equivalent to US\$ 51,61,842.62)

**C. Others**

- a) Gas Authority of India Limited (GAIL) has raised Invoice dated 15th January, 2019 for Rs. 101.88 Lakhs in relation to Gas Transmission Agreement executed on 28th July, 2016 by the Company and invoked bank guarantee of Rs. 76.41 Lakhs on 15th January, 2019 for non-receipt of payment. The Company has disputed the bills raised by GAIL and referred the matter for arbitration as per terms of agreement to resolve the issue. Further adjustments if required in the accounts will be made as and when matter is resolved.
- b) The appeal filed against the tax demand of Rs. 625.56 Lakhs raised against the Company as per Order u/s 143 (3) of the Income Tax Act, 1961 (“the Act”) for the Assessment Year 2012-13 has been decided in favour of the Company allowing full relief by the Appellate Authority. Before the passing of the favourable order, re-assessment proceedings u/s 147 of the Act, was initiated and an Order u/s 147 read with Section 143(3) of the Act, dated 05th December, 2018 was received by the Company raising tax demand of Rs. 1705.20 Lakhs (including interest) mainly on the similar issue (capital gain on slump sale). The Company has again filed an Appeal before the Appellate Authority on 16th January, 2019 and the management is confident that once the effect of the Order of the Appellate Authority is given, the disputed demand raised by the Tax Authority shall stand settled.

**Note - 36 : Dues to Micro and Small Enterprises**

The dues to Micro and Small Enterprises as required under the Micro, Small and Medium Enterprises Development Act, 2006 to the extent information available with the company is Rs. 66.29 Lakhs out of which Rs. 40.18 Lakhs and Rs.26.11 Lakhs are classified in ‘Payables for expenses’ and ‘Payables for Capital goods’ respectively under Note 25-Other Financial Liabilities.

**Note - 37 : Segment Reporting**

The Company’s Commercial production commenced on 22.03.18. There is only one operating segment, therefore, Ind AS 108 on “Operating Segments” is not applicable to the Company.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### Note - 41: Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using debt equity ratio, which is borrowings divided by Equity. The Company's endeavour is to keep the debt equity ratio around 2:1. The Company also includes cash credit and accrued interest on the borrowings for the purpose of capital management.

(Rs. in Lakhs)

	31.03.2019	31.03.2018
<b>Borrowings</b>	<b>20,045.62</b>	18,049.65

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### Note - 43: Disclosures as required by Regulation 34(3) of SEBI(LODR) Regulations 2015

In compliance of Regulation 34(3) of SEBI(LODR) Regulations 2015, the required information is given as under: (Rs. in Lakhs)

		Amount as on		Maximum Amount outstanding during the year ended	
		31.03.2019	31.03.2018	31.03.2019	31.03.2018
<b>I.</b>	<b>Loans and Advances in the nature of loans:</b>				
	To a Company in which directors are interested	<b>276.57</b>	<b>276.57</b>	276.57	281.57

#### Note

For an interest-free loan given to Kilburn Office Automation Limited, it is expected to repay the loan from available funds that will be internally generated from its business. This indicates that Kilburn Office Automation Limited has an obligation to repay this loan even though there is no specific repayment date, thus, it has been appropriately classified as a financial asset in the financial statements of the Company. Since it is not practicable to estimate the timing of repayment of this loan by Kilburn Office Automation Limited, this has been considered as repayable on demand by the company in its Financial Statements. In this scenario, Ind AS 113 states that 'the fair value of a financial liability with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid. Assuming that this loan is considered as repayable on demand at any time, no discounting is required on initial recognition/transition date. Accordingly, the loan to Kilburn Office Automation Limited has been considered as good and measured by the Company at its face value, which is also its fair value.

### Note - 44: Financial Instruments and Risk Factors

#### Financial risk management objectives and policies

The Company has set up a new plant at Dahej, Gujarat for which commercial production has started with effect from 22.03.2018. The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including foreign currency risk, interest risk and commodity risk etc.), credit risk and liquidity risk. The Company's overall risk management policy seeks to minimize potential adverse effects on Company's financial performance.

#### i) Market Risk:

Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate because of change in market prices. Market risk comprises mainly three types of risk: interest rate, currency risk and other price risk such as commodity price risk.

a) **Foreign Currency Risk:** Foreign Currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Since it is a new project only some spare parts imports shall take place for which hedge shall take place depending upon quantum. After taking cognizance of the natural hedge, the Company takes appropriate hedge to mitigate its risk resulting from fluctuation in foreign currency exchange rate(s). Foreign currency sensitivity: To be covered during full period of operation.

b) **Interest rate risk:** Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any change in the interest rates environment may impact future rates of borrowing. The Company mitigates this risk by regularly assessing the market scenario, finding appropriate financial instruments,

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### Note - 44: Financial Instruments and Risk Factors (Contd..)

interest rate negotiation with the lenders for ensuring the cost effective method of financing. Interest Rate Sensitivity: Since the project is new and full operation hasn't begun in the current year, such details shall be stated when full operation begins.

c) **Commodity Price Risk:** The Company is affected by the price volatility of certain commodities. Its operating activities require the continuous supply of certain raw materials. To mitigate the commodity price risk, the Company has an approved supplier base to get competitive prices for the commodities and to assess the market to manage the cost without any compromise on quality.

#### ii) Credit Risk:

Credit risk refers to risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables; inter corporate deposit, derivative financial instruments, other balances with banks, loans and other receivables. The Company does not envisage any such exposure in the near future since it is a new project.

#### iii) Liquidity Risk:

Liquidity risk is the risk, where the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

### Note - 45: Taxes

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

### Note - 46: Other Disclosures

#### a Disclosure on Revenue Grants

##### EPCG Grant

Grant recognized in respect of duty waiver on procurement of capital goods under EPCG scheme of Central Govt. which allows procurement of capital goods including spares for pre-production and post-production at zero duty subject to an export obligation of 6 times of the duty saved on capital goods procured. The unamortized grant as on 31.03.2019 is Rs. 545.26 lakhs (31-03-2018:Rs. 545.26 Lakhs). The Company has not yet recognised any amount in the Statement of Profit and Loss as amortisation of revenue grant. The Company expects to meet the export obligations and therefore equivalent deferred grant has not been treated as liability.

- b No provision has been made against carried over balances against Trade Receivables and other Receivables amounting to Rs. 110.93 lakhs (31-03-2018: Rs. 34.52 lakhs) from earlier years considered as good and fully recoverable by the management.
- c During the year ended on 31st March, 2019, the Company could not repay two quarterly instalments aggregating to Rs. 664 Lakhs besides interest amounting to Rs. 1116.15 Lakhs to the Bankers against the credit facilities availed under consortium arrangement. As a result, the loan has been classified as NPA and Bank of Baroda, the lead banker under the consortium arrangement has issued notice under Section 13(2) of the SARFAESI Act, 2002 dated 13th March, 2019 to repay the entire borrowings of Rs. 17,736.28 Lakhs (including interest upto 31st December, 2018) within 60 days from the date of issuance of such notice. The Company has responded to the notice vide its letter dated 22nd March, 2019 informing that proposals for fresh funding is under consideration by Banks/ Investors and a positive outcome is expected by the Company's management. Pending positive outcome the Company has disclosed, amount of outstanding loans of Rs. 13,612.00 lakhs from Banks under "Long Term Borrowings".
- d Certain carried over balances from earlier years included in Trade Receivables, Trade Payables, other Current Liabilities and Claim Receivables are subject to confirmation/adjustments.
